ACKNOWLEDGEMENT

I am extremely glad to present my main project which I did as a part of our curriculum. I take this opportunity to express my sincere thanks to those who helped me in bringing out the report of my project.

I am deeply grateful to **Dr. Jacob Thomas V,** Principal, FISAT, Angamaly and **Dr. Mini P R**, Vice Principal, FISAT, Angamaly for allowing me to utilize all the facilities of the college.

My sincere thanks to **Dr. Deepa Mary Mathews**, Head of the department of MCA, FISAT and my project guide, who had been a source of inspiration. During the period of my project work, I have received generous help, which I like to put on record here with deep gratitude and great pleasure.

My special gratitude to **Dr. Rakhi Venugopal**, my Scrum Master, for her encouragement and suggestions. I express my heartfelt thanks to all the faculty members in our department for their constant encouragement and never-ending support throughout the project.

Finally, I am grateful to all my friends who gave me a lot of suggestions for the successful completion of this project.

ABSTARCT

The Thrissur Management Association (TMA) embarks on a comprehensive overhaul and expansion of its website, focusing on creating a dynamic, user-centric platform with responsive design. The revamped site will prominently feature upcoming events and past achievements, engaging users through a slideshow on the homepage. Key sections will include upcoming events, contact forms, and social media integration. Detailed content sections, such as "About TMA," will provide insights into the organization's history, awards, flagship events, and mission. Dedicated pages for students and youth will highlight membership benefits, scholarship opportunities, and community-building activities. The Young Leaders Team (YLT) will be showcased with parallel benefits to TMA office bearers, fostering a sense of belonging and involvement. Implementation of secure user and admin login pages, along with profile editing, ensures personalized experiences. Robust User and Events Management systems will streamline administrative tasks, enhancing TMA's online presence and functionality for members and administrators alike.

The Thrissur Management Association (TMA) is embarking on an ambitious project to revamp its online presence with a focus on user engagement and functionality. The redesigned website will serve as a dynamic hub for members and stakeholders, offering easy access to upcoming events, past achievements, and essential information about TMA's history, mission, and flagship events.

A key feature of the new website will be its emphasis on user interaction and community building. Sections dedicated to students and youth will provide tailored content, including information on membership benefits, scholarship opportunities, and activities aimed at fostering leadership and professional development among the younger demographic.
